Easterseals is...

Innovative strategies and supportive 1:1 customized service models, tailored specifically to the individual's needs.

With our services in education, healthcare, and employment, we're working toward a world where every one of us is valued, respected, and accepted in all aspects of society. Our Easterseals provides essential services and on-the-ground support through all stages of life including:

- Autism services to assess, diagnose, and support children, young adults, and their families
- Award winning Career Development Services and supported education programs
- Compassionate Adult Day Support services including supported employment
- In home support services that encourage independence and full lives with our highly trained staff.
- Social enterprises providing high quality janitorial; document destruction and secure electronic recycling services while employing individuals with disabilities
- Active Military, National Guard, Reserve and Veterans programs committed to successful reintegration into all aspects of civilian life.

**Easterseals is so much more...
Independence. Full Lives. That's our Impact.**

Together We...

Strive for independence and full lives

Provide essential services and supports for every stage of life

Value the whole person

Impact people where they need us most – school, work, home or in the community

Our programs and services are here for our community year-round

Behavioral Health Therapy & Counseling:

We provide individual therapy for children, teens, and adults, as well as family therapy and supportive group programs. Our services address a wide range of mental health needs, including stress, anxiety, depression, and life

Neuropsychological Assessment & Evaluation:

Specializing in the assessment and diagnosis of children, adults, and seniors who are experiencing cognitive and behavioral difficulties

- Many conditions including Autism, dementia, learning disabilities, cancer treatment, head injury, stroke, epilepsy, and other developmental, medical, neurological, and psychological conditions can contribute to problems and changes in cognitive functioning (attention, executive function, processing speed, language, visual motor, learning, and memory). Our expert team of Neuropsychologists provides assessments for diagnosis as a vital first step in the treatment process.

Autism Services: We offer services to assess, diagnose, and support children, young adults, and their families who are struggling with understanding and managing behaviors. Supporting children with Autism often involves working with multiple providers, building understanding, and offering parents helpful guidance. When everyone works together, the child's care and support remain consistent across different settings

- Early Autism Evaluation for children 16-30 months
- Neuropsychological Assessments for adults and children as young as 16 months
- Counseling, Therapy, and Case Management
- Support & Therapeutic groups

Dementia & Memory Services: We offer neuropsychological evaluations to help with diagnosis and understanding of memory changes, along with therapy and counseling. Our team provides compassionate support to individuals and families as they navigate memory concerns together

Adult Day Support Services: Engaging community-based recreational and vocational activities

Our team of Day Support professionals provide a full day of activities for individuals with intellectual and developmental disabilities in a safe and welcoming environment including:

- Caregiver Support
- Mentoring to promote independence and full lives
- Group Supported Employment and job coaching to integrate into local businesses
- Individual Supported Employment with ongoing employment specialist shadowing

Individualized In-Home Support: is a residential service where a staff member provides support to an individual who lives on their own or with their family. Staff assist in activities such as:

- Building life skills
- Staying socially connected
- Improving communication
- Encouraging healthy lifestyle choices
- Assisting with daily needs like grocery shopping, bill paying & transportation

Career Development Services: Employment skills assessments, training, educational supports, and placement assistance for individuals including young adults and older

- Easterseals believes everyone who wants to work should have the opportunity to do so in a meaningful way. Our Career Services team helps individuals build their skills, continue their education, find meaningful employment, and provides support throughout the employment process to both employees and employers.

EnviroClean: This Easterseals janitorial social enterprise directly employs individuals with disabilities, at market wages, and fulfills their goals of independence, self-sufficiency and community integration

EnviroShred: Easterseals operates a secure document, and electronics recycling social enterprise program providing competitive employment for people with and without disabilities
